

Expanded California Homeowner Insurance Program

Meet our program

Our underwriting team has the knowledge and expertise to understand the complexities these policies possess:

- > We accept multiple types of dwellings.
- > We provide agents with the ability to get coverage for their clients.
- > We are experts in writing property and casualty business in California.
- > We analyze your client's eligibility to offer you comprehensive and tailored coverage.
- > We use specialty programs to address issues such as water damage claims, common losses, etc.
- > We offer multiple additional coverages including a **new option** to add Work Comp for employees working in your client's home – Sample classes include nannies, butlers, drivers, cleaning staff, pilots, and cowboys.

Business samples we have written recently

Quoted over 1500 homes in the past 45 days to include secondary homes in difficult brush and primary homes in cities across California.
